General Business Conditions of participation for the HookahFair/VaporFair in SEVILLA/SPAIN (Last update: May 2017)

Principle

In the case of contradiction, the following shall apply in the order listed for the participation in Trade Fairs and Exhibitions of the HookahFair / VaporFair

1. Individual Contract Agreements with the Organizer,
2. Special Business Conditions of Participation and
3. the following General Business Conditions of participation.

A. Participant

1. A Participant in the HookahFair/VaporFair can be an Exhibitor, a Co-exhibitor or an Additionally Represented Company. They are hereinafter referred to as the 'Participant'.
2. An Exhibitor is a party that registers for participation in an event with its own stand, own personnel and own offer.
3. A Co-exhibitor is a party that attends a stand of an Exhibitor with its own personnel and own offer. This includes group companies and subsidiaries. Third parties are also Co-exhibitors or Additionally Represented Companies if they have a close business or organisational relationship with the Exhibitor. The participation by a Co-exhibitor or an Additionally Represented Company must be entered in the registration form by stating all informations needed. If an Exhibitor is a manufacturer, every other company that has its goods or services offered by the Exhibitor is an Additionally Represented Company. If an Exhibitor is a sales company that exhibits not only products of one manufacturer but also additional goods or services of other companies, such companies are Additionally Represented Companies.
4. Co-exhibitors and Additionally Represented Companies must be registered by the Exhibitor. Co-exhibitors and Additionally Represented Companies that are not registered may not exhibit on the stand space of the Exhibitor. The Organizer is entitled to refuse Admission of Co-exhibitors and Additionally Represented Companies if it deems they give reason to make an Admission unacceptable. The Organizer is entitled to make the Admission subject to a separate fee, even retroactively. The Exhibitor is always jointly and severally liable with the Co-exhibitors and Additionally Represented Companies for their compliance with their obligations.
5. Contract partner of the Organizer is only the Exhibitor.
6. If several Exhibitors want to jointly rent a stand space, they must authorise one of them in the registration form to make and receive all statements/declarations arising from or in connection with this contract on their behalf. They are jointly and severally liable for all claims arising from this contract.
7. If an invoice is issued to a third party after its issuance at the request of the issuer, the issuer nevertheless remains the debtor.

B. Registration, Contract Conclusion

1. The registration for the HookahFair/VaporFair must be sent, in writing or by fax, to the Organizer by using the registration form. The registration form must be completely filled out, legally bindingly signed and contain complete and applicable information on the legal form and representative relationships of the Participant(s). The registration is a contract offer of the Exhibitor and does not create an entitlement to Admission.
2. The Exhibitor is bound by the registration until eight weeks after the Assembly planning date shown in the Special Business Conditions of Participation. Any registrations arriving after the start of layout planning commit the Exhibitor for eight weeks.
3. By submitting the registration form, the Exhibitor/Participant accepts these General Business Conditions of Participation and, if available, the "Special Business Conditions of Participation" applicable for the

HookahFair/VaporFair, the “House Rules”, the “Technical Rules” and the provisions of the “Service Documents”. The Participant is responsible for their compliance by the persons employed by him at the Event and by the other Participants registered by him.

4. The contract on the participation is concluded by means of the Admission, i.e. the Organizer accepts the contract offer.
5. The Exhibitor is obliged to comply with all relevant statutory and official regulations, including such of labour or trade law nature and such concerning environmental protection, fire protection and accident prevention regulations. The Exhibitor shall continuously monitor their compliance by the persons he employs at the Event, the other Participants he has registered and other vicarious agents and intervene in the event of a violation and/or inform the Organizer about the violations.
6. If personal data is collected, it will be treated confidentially and in compliance with the data protection law. Personal data is only collected and used to the extent it is necessary for the contents or performance of the specific contract. The owner can, at any time, demand to be informed about his stored personal information. He can also demand the deletion of his stored personal data if the contract has been completely performed and the retention is not required by law.

C. Admission, Permitted Exhibits

1. The Organizer shall inform the Exhibitor about the acceptance of his offer in writing (email possible) by notification of Admission to the HookahFair/VaporFair and the space assignment. Complaints by the Participant must be notified in writing to the Organizer within one week after receipt. If the Admission differs from the Exhibitor's registration, the contract is concluded in accordance with the Admission unless the Exhibitor objects in writing within one week after receipt.
2. The Organizer shall take a decision, if necessary in agreement with the respective committees, regarding the admission of the Exhibitor and registered exhibits to the HookahFair/VaporFair via a written confirmation of admission. A contract shall come about with the admission of the Exhibitor.
3. The Organizer may exclude individual Participants from taking part in the HookahFair/VaporFair for factually justified reasons, especially if the amount of space available is insufficient. The Organizer may also restrict the HookahFair/VaporFair to certain groups of Participants if this is necessary to attain the purpose of the HookahFair/VaporFair. The Organizer shall also be entitled to impose restrictions on the registered exhibits and change the amount of registered space. Participants may only exhibit, offer and take orders for, the exhibits stated in the Admission confirmation and only at the location stated therein. Not permitted items can be removed by the Organizer at the Participant's cost, and in the case of emergency without prior warning. Goods and services, for which a use, possession or utilisation is not permitted in Germany must be legibly marked in the German language.
4. Participants must have full power of disposal of the registered exhibits and possess any necessary official permissions and approvals. Descriptions and brochures relating to the goods or services to be exhibited shall be submitted by the Participant on request.

D. Space Assignment

1. The Organizer shall personally assign space in accordance with the subject and structure of the HookahFair/VaporFair and the actual amount of space available. Space assignment wishes of the Participant are not binding and will only be considered if possible. The order in which applications are received shall not be the sole decisive factor in assigning space.
2. The allocation of a form of stand (e.g. row instead of corner stand, head instead of block

stand) at variance with the registration does not entitle the Participant to withdraw.

3. The Organizer is entitled, even after Admission, to relocate the stand in the hall within a reasonable and acceptable scope without such entitling the Participant to rescind the contract or demand a reduction in the participation fee.

E. Unauthorized Transfer of Stand Space

The assigned stand space may not be exchanged with another Exhibitor. Partial or complete transfer of the stand space or subletting of the stand space to third parties shall also not be permitted without the approval of the Organizer.

F. Fees, Payment Deadlines and Terms

1. The participation fee can be inferred from the registration form and the Special Business Conditions of Participation; the amount will be invoiced to the Exhibitor by the Organizer. Complaints about the invoice can only be considered if they are received by the Organizer in writing within 14 days after receipt of the invoice.
2. The Organizer is entitled to demand a reasonable payment in advance or security for anticipated additional charges, e.g. for electricity consumption or other services.
3. The participation charges are payable without deduction immediately on receipt of the bill.
4. The Organizer is entitled to make the occupation of the stand space or issue of Exhibitor ID cards dependent on the prior, timely and full payment of the invoice.
5. All invoice amounts shall be transferred in Euro without any bank charges or deductions quoting the customer number and invoice number to the account shown on the invoice.
6. If the Participant culpably fails to comply with his payment obligations on time, the Organizer shall reserve the right, after granting a reasonable period of grace with consideration of the circumstances and the remaining time, to terminate the contract with immediate effect for good cause.
7. Should a Participant fail to comply with his payment obligations, the Organizer may exercise his right of lien, retain the exhibits and the stand fittings, and have them auctioned at the expense of the Participant, each time after prior written notification, or to sell them privately if they have a stock exchange price or a market price.
8. All charges and fees stated in the Registration Form, these General Business Conditions of Participation and the Special Business Conditions of Participation are plus VAT at the statutory rate, if nothing different is legally stipulated.

G. Non-participation by the Participant

1. Cancellation of the participation is possible **until Admission**. In such a case, the Participant shall owe the Organizer a fee of EUR 275.00 for the to-date services of the Organizer unless the Participant can prove that the Organizer did not incur such a cost or incurred a much lower cost. The admission is valid with sending the invoice.
2. A non-participation by the Participant despite admission does not release the Participant from his contractual obligations. The Participant shall be obliged, in particular, to pay the contractually due fees in full. The Organizer shall not be obliged to accept a replacement participant nominated by the Participant. If the Organizer is able to otherwise let the stand, the Participant will be credited with the proceeds obtained by the Organizer from such letting less a remuneration of 25 % of the net participation fee, but at least EUR 400.00.
3. In the case of a non-participation, the Organizer shall be entitled to let the stand space not used by the Participant to a third party or redesign the stand layout at the cost of the Participant in order to ensure a glass appearance of the HookahFair/VaporFair.
4. The Participant will also not be released from his obligation to pay the participation fee if the assigned stand space is otherwise let but the total available space for the

HookahFair/VaporFair could not be entirely let.

5. If a Co-exhibitor and/or Additionally Represented Company does not participate, the obligation to pay the fee for their Admission will remain.

H. Cancellation through the Organizer, relocation and change in the duration of the Event

1. The Organizer shall be entitled to cancel the HookahFair/VaporFair for good cause, change its date and location, change its duration or – if necessitated by space conditions, police instructions or other compelling reasons – move the stand space assigned to the Participant, change its dimensions and/or limit the stand space. Any change in regard to the venue or its time or any other change shall become an integral part of the contract when the Participant is notified accordingly. In this case, the Participant shall be entitled to withdraw from the contract within 14 days after receipt of the notice of change. Compensation claims against the Organizer shall be excluded in this case, unless the change was due to gross negligence or intent on the part of the Organizer or his agents.
2. In cases of force majeure that partly or completely prevent the Organizer from fulfilling his obligations, the Organizer shall be released from his obligations to perform the contract until such force majeure ceases. The Organizer shall immediately notify the Exhibitor of the force majeure case unless he is also unable to do so due to a force majeure case. The unavailability of sufficient supplies, such as electricity or heating etc., as well as strikes and lockouts, are also cases of force majeure unless they are of a short duration or caused by the Organizer. If the Event cannot take place due to force majeure, the Organizer shall be entitled to charge the Participant for his services rendered to date, and the amount shall be determined at the reasonable discretion of the Organizer (Section 315 of the German Civil Code - BGB), unless the Organizer is responsible for the cancellation of the Event.
3. The Participant shall be informed if the Organizer is able to stage the HookahFair/VaporFair, which was cancelled due to force majeure, at a later date. The Participant shall be entitled to withdraw from the contract within 14 days after receipt of this notification. Compensation claims against the Organizer shall be excluded in this case, unless the change of date was due to gross negligence or intent on the part of the Organizer or his agents.
4. If the Organizer is forced to shorten the HookahFair/VaporFair already in progress on account of the occurrence of force majeure or for other reasons for which he is not responsible, the Exhibitor shall not be entitled to claim full or partial reimbursement or waiver of the participation fee.

 7. The Participant shall not be entitled to remove exhibits from the stand or start dismantling the stand before the beginning of the stand dismantling times stipulated in the Special Business Conditions of Participation.
